## ***Swedish Beauty Supports Sun City Tanning Studio's Easter Food Drive!***

4-14-2016

Halifax, Nova Scotia

Swedish Beauty is excited to have had the opportunity to work with Alessandra Pagnottella, Manager of Sun City Tanning Studio, and the entire salon who together hosted their annual Easter Food Drive! The event was held March 15<sup>th</sup> through March 26<sup>th</sup> at the Sun City Tanning Studio in Halifax, Nova Scotia. The food drive welcomed non-perishable donations for Feed Nova Scotia, a well-known local organization serving food banks throughout all of Nova Scotia. The efforts made by Pagnottella, the entire salon and all those who gave, resulted in a successful food drive with 65 pounds of donations!

Feed Nova Scotia distributes donated food to 147 food banks and meal programs in the province. The donations collected from Sun City Tanning Studio's Easter Food Drive will go directly to the charity. These donations will help feed Nova Scotians while also raising awareness of hunger in the area. Swedish Beauty was proud to partner with Sun City Tanning as part of its annual "Swedish Beauty Gives Back" campaign. Swedish Beauty supported the event by donating hundreds of dollars in product for giveaways and prizes. Swedish Beauty is very excited to help support both this event and any organizations that are helping those in need!
