## **Swedish Beauty® Attends Oklahoma State University!**

**September 2015**

**Stillwater, OK** – This past August, Swedish Beauty donated 1,000 packettes of Pink Diamond Tingle Bronzer to Touch of Bronze Tanning in Stillwater, Oklahoma. The salon, owned by husband and wife duo Zach and Ashley, was helping to recruit new members to OSU's Greek Community. They wanted to showcase their favorite lotions to the incoming freshman on campus, so of course they reached out to none other than SB! Over the past year, the Shades of Pink Collection has been their bestselling line, so a pink theme for their booth at the event with the obvious choice. Over 900 people were in attendance at the recruitment, and the event was a great success.

Thank you Touch of Bronze Tanning for helping your community and for being a Premier Salon with New Sunshine!
